Hāpai is very pleased to introduce Moroki, a new development offering a range of long-term rental opportunities in Tamaki Makaurau to call home.

Moroki refers to a sense of permanence – linking our past with a contemporary future.

Situated in the heart of Glen Innes, surrounded by great shops, cafes, restaurants, schools, and medical facilities, Moroki offers:

- 50 long-term opportunities with flexible rental terms up to 10 years.
- A range of property options, (predominantly two bedroom units), furnished and unfurnished choices available.
- Public transport options on your doorstep, with bus stops and a train station within walking distance, or a quick 15-minute ride to Auckland's CBD.
- Host of on-site amenities and services including native-inspired landscaped areas and communal BBQ areas. Vegetable patches and composting facilities for those with green-fingered talents.
- Solar panels, centralised hot water and pre connected utilities and internet.

Moroki is in the final stages of completion and is expected to be available in August this year.

As a special offer for iwi members, Moroki includes:

- An exclusivity period through to 14 July for uri to secure priority access to all of the Moroki units; and
- Subject to meeting eligibility criteria, 20 properties (predominantly two bed units) with rental rebates of, on average, 20 percent* to help manage the cost for iwi members.
